## ANGELO'S PASTA FUNDRAISING PASTA DRIVE

Angelo's Pasta Drive is a delicious and healthy way for your school or organisation to raise much needed funds. From raising money for school camps or new equipment, to supporting your organisation's chosen charity; a Pasta Drive with Angelo's is an easy to organise and tasty fundraising initiative!

### HOW DOES AN ANGELO'S PASTA DRIVE WORK?

We will provide an order form for you to distribute to the employees and families of your organisation or school. You can distribute these as handouts, attach them to your newsletter, place on your website or send out via email.

Families and staff complete the order form and submit it, along with payment, to the designated organiser that is happy to champion the drive.

The organiser needs to check that all orders are completed correctly, then forward to Angelo's for invoicing and packing. Angelo's will invoice the school/organisation the wholesale price for the complete group's fundraising order and the school/organisation keeps the balance.

Angelo's will package the individual orders and attach the recipient's order form to each one. Orders will be delivered to your school or organisation as long as the location is within 25kms from Angelo's Fortitude Valley site. Delivery will be on a Tuesday, 14 days after payment is received and will take place between 1:30PM - 2:30PM. The designated contact will be required to receive and sign for the delivery. Orders can then be collected by or distributed to those who made an order.

**Perishable goods** - Families/staff need to be aware that products are perishable and will need to be kept in a refrigerator or freezer. Any orders not collected should be stored in a freezer on site until collection.

# Q&A ABOUT RUNNING YOUR ANGELO'S PASTA DRIVE FUNDRAISER

**Q: We only have a small school/office, is there a minimum pasta order with Angelo's Pasta Drive?**

No, we do not have a minimum order requirement, making Angelo's Pasta an ideal fundraising partner. Remember your school or organisation earns money from every order of pasta so we encourage you to get as many orders as possible to help achieve your fundraising goals.

**Q: I haven't done this before, how do I start?**

That's easy! Just register online (visit [www.angelospasta.com.au/pasta-drive](http://www.angelospasta.com.au/pasta-drive)) or contact us on (07) 3252 2482 and we can email you a registration form to get things started.

**Q: What profit will we make?**

Your school or organisation will earn money from every pasta order. You will collect the total money from all orders. Angelo's will invoice you the wholesale price for your complete group's fundraising order, and you keep the balance (being the difference between the wholesale price you are charged and the retail price customers pay).

**Q: What happens if we have a late order?**

If an order is submitted late, please contact us immediately. If the total group order has not been dispatched, there is no problem. Send us the additional order and we will raise a new invoice for payment. Once payment is received we will add it to the total group order ready for delivery.

If your order has left Angelo's, we will have to charge freight to send the order to the site separately, or the order can be collected from Angelo's Fortitude Valley site at no charge.

**Q: What happens if we have a problem?**

If a problem occurs during or after the fundraising effort, ring us on (07) 3252 2482 and we will help you to resolve it.

# Q&A ABOUT RUNNING YOUR ANGELO'S PASTA DRIVE FUNDRAISER CONTINUED...

**Q: OK, I've run the fundraiser and received the orders, what now?**

On the day of delivery, it is important that the organiser has arranged storage of the orders as products will need to be kept in the freezer. It is also important to remind families/staff the day, date and time orders are to be collected from the school or organisation.

**Q: Your privacy is important to us, what happens with your details?**

Any details we have of families/staff are not kept and no details will be passed onto any other company or marketing group.

**Q: How can I make our fundraiser more successful?**

It is important to promote your fundraiser throughout the school or organisation, to extended family and friends and if possible through your local community to increase involvement.

Ensure specific dates are set for the fundraiser; a 2-week period should be enough time for families to make their decision about pasta orders and return completed forms with payment back to the school or office.

Avoid running a pasta fundraiser over school holidays, close to end of term or creating a return date that is longer than 3 weeks, as order forms may go missing and your fundraising effort will lose momentum.

At every available opportunity remind families/staff of the return date for their order forms and remind them why you are raising funds.

Use newsletters and notice boards to remind, inform and encourage families/staff to participate in your fundraising program.

## A NOTE FROM A PASTA DRIVE ORGANISER...

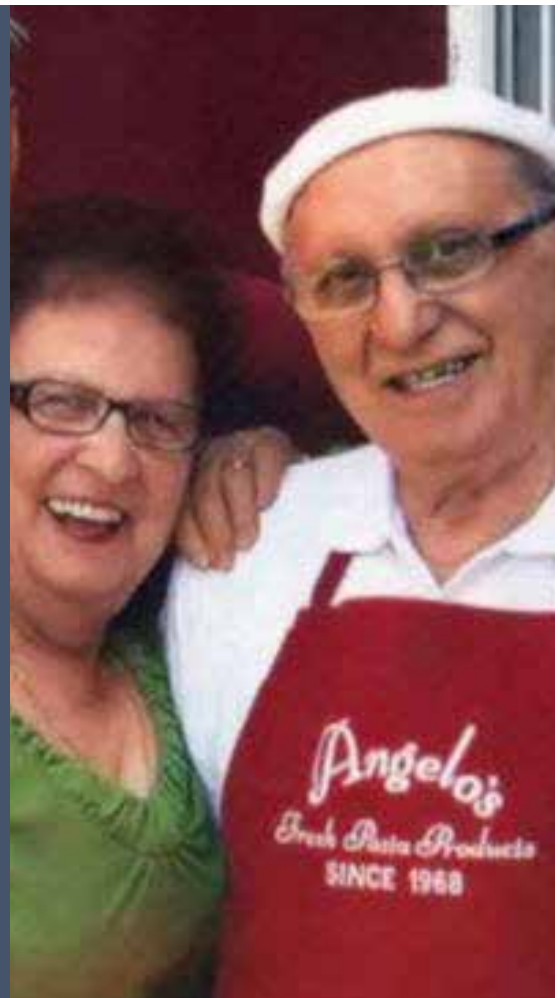

*We recommend you insert a photo and message to families explaining why you are undertaking the fund raising activity. Below is an example.*

Kersley Road Child Care Centre recently held an Angelo's Pasta Drive and we received fantastic feedback:

"We raised over \$150 for Hear and Say Foundation and have decided to hold another Pasta Drive to raise money for Loud Shirt Day, which is also in October. Thanks to the staff at Kersley Road for running the Pasta Drive; Patrick loves the Tortelloni and the Lasagna – it's my go to after daycare dinner!

Thanks again. Megan (Patrick's Mum – Toddler Room).
